## FIGHT 4 INCLUSION

This document works on the construction of a roadmap for inclusive Kickboxing to be a reality in all federations.

### 01 Introduction

Step-by-step to successfully realize the inclusion of people with disabilities

### 02 Organization

WAKO.SPORT

# Kickboxing for everyone Organization

## 1

Section

This section describes WAKO's purpose, action and structures for the inclusion of people with disabilities.

# Introduction

**The Convention on the Rights of Persons with Disabilities**  
It was adopted on 13 December 2006 in New York.

The purpose of this Convention, as set out in its first article, is "to promote, protect and ensure the full and equal enjoyment of all human rights and fundamental freedoms by all persons with disabilities, and to promote respect for their inherent dignity".

# Formation

## Sorter

The training for classifiers is created with the purpose of having people specialized in classifying athletes as athletes eligible or not to practice Inclusive Parakickboxing.

Once classified as eligible athletes, classifiers award a sport class depending on their disability.

Qualifying well is very important to ensure that the competition is as fair and fair as possible.

Athetosis

## Sports Assistant

The Sports Assistant training is intended for all those people who practice kickboxing or want to practice it and that they would like to support people with disabilities in the practice of kickboxing.

It is a training that trains support people to look for the resources and generate the necessary tools so that people with disabilities can practice kickboxing as autonomously as possible.

## Coach Deportivo

The Sports Technician training trains our athletes as coaches. With it, they will learn how to develop, organize and carry out trainings; in addition to learning how to improve capacities, skills and aptitudes in an individualized way.

**WAKO**
