# PRACTICAL INFORMATION

- The historical first edition of the **Sportaccord Combat Games** are taking place in Beijing, China 28 August – 4 September 2010. WAKO are sincerely proud to be a part of such big happening, celebrating the Martial Art and Combat Sports. We congratulate that you have athletes and referees qualified and we do hope this will be a highlight in their career as well as memorable for all included personnel from WAKO.
- All practical information about program of the games, arrival, departure, visa, hotels etc will be sent directly to your federation concerning your teams. The organizer in Beijing will cover all travel and accommodation costs for up to 120 people for our Sport.
- We will distribute information direct to your federation from now on, both newsletters from Sportaccord as well as practical and technical information. Please also for the future, respect all mails coming from the Organizers in Beijing and respond them.

# PRACTICAL INFORMATION

## Athletes

- We have name of all qualified athletes. Those will be covered all travel and accomodation expences. The list is to be found in a separate document.
- If some of the qualified athletes, for some reason are not able to participate, WAKO will name the next athlete from the list based on the results from the 2009 Championships. The athlete that lost to the qualified athlete will granted the place and duly informed through their federation.
- If any withdrawl from your athlete, it is essential that this is informed to Mr. Espen Lund.

# PRACTICAL INFORMATION

## Coaches

- Since there are many qualified countries, the number of coaches that will be covered all travel and accomodation expences will be at maximum 1 pr country. We know that is not enough for some teams, so we need the name of the extra staff you need. However all travel and accomodation expences must be payed by the national federation.
- The extra personnel will be granted normal accreditation. WAKO must **approve** the total number your country nominates.
- We will inform about prize packages when ready from the organizer.
- If any changes of names it is essential that this is informed to Mr. Espen Lund.

# PRACTICAL INFORMATION

## Referees/Judges

- Since the number of athletes and coaches exceed the limit of the 120 people that will be covered by the organizer in Beijing, the countries must pay all travel and accomodation for the referees and judges. Accreditation will be given.
- WAKO have nominated and will invite referees and judges from your country that are qualified. The requirement we have is participation in the selected events next year, in order to be fully prepared. If any withdrawl from your referee or change of names, it is essential that this is informed to Mr. Espen Lund. We only allow A-class referees. See enclosed lists of all referees. We will inform about prize packages when ready from the organizer.
